

ASSEMBLY BILL

No. 2191

Introduced by Assembly Member Emmerson

February 18, 2010

An act to amend Sections 4984.7, 4989.68, 4996.3, and 4999.120 of, and to add Sections 4984.41, 4989.45, 4997.1, and 4999.113 to, the Business and Professions Code, relating to healing arts.

LEGISLATIVE COUNSEL'S DIGEST

AB 2191, as introduced, Emmerson. Healing arts: behavioral sciences: licensure.

Existing law provides for the licensure and regulation of marriage and family therapists, clinical social workers, educational psychologists, and professional clinical counselors by the Board of Behavioral Sciences within the Department of Consumer Affairs. Existing law fixes the license fees and creates the Behavioral Sciences Fund in the State Treasury into which these license fees are deposited. Existing law specifies requirements for renewal of these licenses, including completing continuing education, as specified.

This bill would require the board to issue a retired license to a marriage and family therapist, clinical social worker, educational psychologist, and professional clinical counselor who holds a license that is current and active or capable of being renewed, and whose license is not suspended, revoked, or otherwise punitively restricted by the board or subject to disciplinary action. The bill would prohibit a retired license holder from engaging in any activity for which an active license in his or her respective profession is required. The bill would provide that a retired license holder may have his or her license restored to active status if the holder has not committed an act or crime constituting

grounds for denial of licensure, and the holder applies for licensure, pays the required fee, passes the examination required for licensure, and completes specified continuing education requirements. The bill would fix the retired license fee at \$40.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
